Assignment - Operators in java

```java
package operations;

public class PatternPrinter {
    public static void main(String[] args) {
        System.out.println("#\"\"\"\"\"\"\"\"\"#");
        System.out.println("# *   * #");
        System.out.println("#   *   #");
        System.out.println("#  *****  #");
        System.out.println("#\"\"\"\"\"\"\"\"\"#");
    }
}
```
